### OBJECTIVE

To obtain a position in the film/television industry with room to grow.

### EDUCATION

New York Institute of Technology (NYIT), New York, NY — B.F.A. in Communication Arts, Magna Cum Laude, 3.62 GPA, graduated 12/2007

Nutley High School, Nutley, NJ— High School Diploma, graduated 6/2005

### EXPERIENCE

#### SPECIALIST, APPLE INC., NEW YORK, NY — 4/2007-PRESENT

Working at Apple's flagship SoHo store, I assess customer needs to provide individual solutions. This includes the entire Macintosh lineup, as well as iPods, iPhones, and various audio/video equipment. I also am part of Apple's Creative Team, instructing customers in hour-long One-to-One training sessions.

#### FREELANCE VIDEO EDITOR — 2004-PRESENT

I edit video using Final Cut Studio 2 for companies such as the Beanstalk Group LLC, Fat-Cat Records, Trace Magazine Inc., Friends of Nutley Football Inc, and The Anita Kaufmann Foundation. This also involves using DVD Studio Pro to burn projects to DVD, and Motion for titling. Most recently, I was a production assistant for a music video shoot for renowned photographer Marc Baptiste and edited the behind the scenes for his music video, "Baltimore". I have also completed editing NYU's first student short shot on RED ONE, "Til Undeath Do Us Part".

#### EDITOR, LITERARY LIVING, NEW YORK, NY — 7/2006-11/2006

I edited segments of episodes using Final Cut Pro, dealing with many studio interviews or shoots in the field. My job consisted of cutting logged clips, correcting audio levels, adding titles and transitions, as well as color correction.

#### INTERN, PALM PICTURES, NEW YORK, NY — 5/2006-8/2006

Working in both Palm's DVD and Theatrical Departments, I assisted in the promotion of films such as *The Motel*, *Kill Your Idols*, *Lower City*, and *13 Tzameti*. I also used my own personal contacts as a music video director to more effectively promote the film *Kill Your Idols* and get promotions from the Yeah Yeah Yeahs and Black Dice.

#### EDITOR, A.C. VIDEO, NUTLEY, NJ — 6/2005-8/2005

I edited basic event videography projects and burned them on custom DVDs with customized labels for various clients. I also transferred PAL DVDs to NTSC and transferred film footage to mini DV, VHS, and DVD for clients.

### COMPUTER SKILLS

Macintosh: virtually all Mac Software, including the iLife and iWork suites, Final Cut Pro HD, Appleworks, DVD Studio Pro, Safari, Quicktime Pro, general knowledge of Adobe Photoshop, Illustrator, and InDesign

Windows: Word, Excel, PowerPoint
